network

Moms N Babies Class

Come join us in a relaxing and infant-friendly place where you can:

- Experience the connection of Mom and Baby Yoga.
- Learn Baby Massage and all its amazing benefits.
- Practice new parenting tools for bonding and attachment.
- Discover the science of infant psychology and see life through the lens of your child.

Join Us:

Tuesday mornings 10:00 - 11:30am
At A Baby Naturally 130 W. Willow Wheaton

Lynn Korst

Founder, Discover Parenthood

My passion is helping new parents become confident in their parenting knowledge and abilities right from the very beginning. After studying prenatal psychology, infant development, relationship dynamics, as well as many scientific views of human development, I have a deep understanding of this formative time of life and how it shapes the rest of our lives.
